

Appln. No. 10/788,846  
Reply to Election Requirement of July 26, 2005

**Amendments to the Drawings:**

The attached two sheets of drawings replace the original two sheets.

Attachment: 2 Replacement Sheets

**REMARKS**

Applicant thanks the Examiner for the requirement to elect species, and suggested drawings amendments. Applicant has amended the drawing to include Figure 3, an embodiment employing a flexible discharge conduit. Figure 1 has been amended to illustrate an optional second stabilizer arm 11'. Applicant has also submitted herewith 2 amended drawing sheets (attached) identified as REPLACEMENT SHEETS as required. No annotated sheets are supplied herewith. These amendments are supported at least by the original claims. Amendments to the specification have been made to correspond with the drawing amendments, as well as to revise wording and correct various unintended mistakes in the original specification, such as paragraph numbering. No new matter has been added by any amendment.

**Conclusion**

Given the above amendments and comments, it is now respectfully submitted that the application is in condition for allowance, which is earnestly solicited. However, should the Examiner have further objections, rejections, or comments to bring the case to conclusion, the Examiner is cordially requested to contact the undersigned prior to further rejection.

Respectfully submitted,
